MINISTRIES OF COMPASSION AMONG CHILDREN FROM HIV/AIDS & LEPROSY AFFECTED FAMILIES

Dear Friends and Partners,

Greetings to you in the Name of the Lord Jesus - The Word who become Flesh for us! We at Chennai Word Made Flesh would like to wish you a wonderful Christmas! Your generous giving and support have helped bring light and life into many tiny lives all throughout this year for which we are very grateful. Christmas calls us to focus on the three "C's which can bring our life in focus with the word of God.

The CRADLE: The tiny baby wrapped in swaddling clothes lying in a manger was the Lord of the Universe reaching out to his creation in his depths of love. The Angel

specifically gave this as a sign for the shepherds to find the savior. Sometimes Christmas is left without the beautiful essence of the cradle since we brush past it with familiarity. What does this sign of Manger as Cradle speaks to us today? Manger was actually a food box for the cattle. Food satisfies, strengthens and refreshes. The food box in Bethlehem that day 2014 years ago had the Bread of Life for the World. Do you know that Baby as your Saviour who satisfies your deepest hunger, deepest need? This Christmas draw near to satisfy your hunger.

The CROSS:

You cannot come near the cradle and miss the cross. Cross is the will the Lord has for each and every life. Often we fear to move past away the cross from the thoughts and Christmas spirit. Mary and Joseph did Christmas. She bore the cross of the Holy Ghost. Joseph bore the cross married a woman who was already birth of Christ in the lives of each doing HIS will. Will Christ find a place in your life this Christmas?

Cross is the will the Lord has for each and the cradle to the foot of the cross. We push celebrations that crowd our joyful not push away the cross at the first ridicule for having conceived the child by of ill speaking and insults for having with a child before their wedding. The individual is brought about by the way of

The CROWN:

At Christmas it's relatively easy to draw our attention to the gifts Jesus by the Wise Men. One of the gifts was Gold. Gold signifies the Crown. Crown is the assured reward to the faithful and the believer. We need not fret and fight in order to wear a crown. The God says, "Remain faithful unto death and I will give you the crown of (Rev.2.10). Crown is for those who hold fast to their faith faithfully till won. At Christmas, the crown calls us to be faithful wherever we are

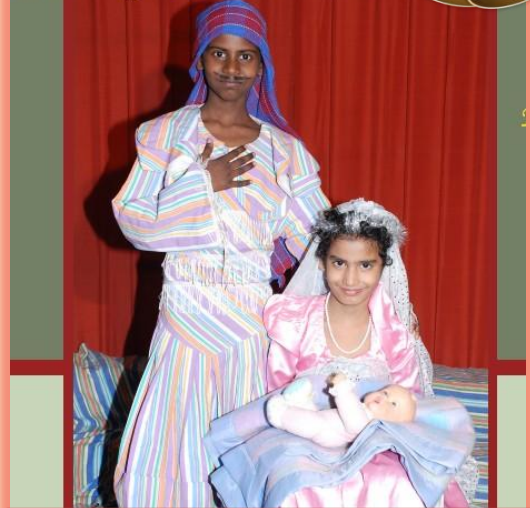

presented to kingship-penitent word of Life" the race is placed.
