MINISTRIES OF COMPASSION AMONG CHILDREN FROM HIV/AIDS & LEPROSY AFFECTED FAMILIES

Dearly beloved in Christ,

It is indeed a pleasure to have you as a partner in this special ministry of building the kingdom of God among the destitute children from HIV/AIDS and leprosy affected families. We pray that the Lord will continue to bless and guide you in a very special way in all your endeavours as you have extended your sacrificial support and prayers for these children.

The Lord has enabled us to complete the first month of this New Year by His Grace. Let us thank the Lord for His provision and protection in the past days and let us look forward with confidence because of His promise for us from Deuteronomy 33:29..

SHIELD OF HELP *"...Blessed are you Israel! Who is like you, a people saved by the Lord? He is your shield of help and your glorious sword. Your enemies will cower before you, and you will tread on their heights."*

Shield of Help which promises us great reward: The very first mention of God as SHIELD in the Word of God is at Gen: 15.1: " Fear not Abram, I am a shield to you: Your reward shall be very great". When we think of Shield, we understand it to be a weapon of defense, which would protect us from the attacks of the enemy. But more than just defense, the help that the Lord as Shield promises for his children in this verse is a great reward. It required faithfulness on the part of Abraham to see this promise fulfilled in his life through his son Isaac. What is that difficult thing that you need to commit to the protection of the Lord, your Shield that you may reap rich reward? Just commit that to this your shield of help and May you receive great rewards for your faithfulness in His word.

Shield of Help which promises Grace and Glory: Word of God in Ps.84.11 says, " For the Lord God is Sun and Shield, The Lord gives Grace and Glory: No good thing does He withhold from whose who walk uprightly". Each of us in our daily life yearn for the Grace of God and for his Glory to be seen in and through our lives. Here the Lord describes himself as a Shield which gives us grace and glory. And how does he shower these blessings of Grace and Glory?

When we are upright with God, the Lord our Shield, showers his great goodness (Grace and Glory) into our lives and will not withhold even a single good thing from blessing our lives. This glorious blessing of the Lord our Shield is promised to all of us who walk uprightly with him. Can we say for sure that yes, our walk is upright, as per his will and word in our lives? If so, then the Lord is sure to give us His Grace and Glory to uphold us in all our ways.

Shield of Help which lifts our head: The word of God in Ps. 3.3 says, "But you, O Lord, are a Shield about me, My Glory and the One who lifts my head". Here the Psalmist David is running away from his own son Absalom, who is coverting, his throne. While in great agony at the pain caused by his son, he realizes and declares that the Lord who is his Shield, will surround him in defense and will give him victory and lift his head. His head must have been bowed down to the ground pleading for the Lord's deliverance. As mentioned in this verse the Lord our shield promises victory and time of joy to those who are bowed down and pleading for his deliverance. Do we trust this Shield of Help to bring about this great deliverance and Joy that David believed and confessed for? If so, even amidst our loss, our defeats and bitterness, the Shield of our help is surrounding us to lift our heads high in joy and victory. Today, may you know the Lord as your Shield of Help in your life in a very special way. God bless you.

Updates from our Children's Home:

Thank you for standing with us in providing the needed funds to send our children to the Kids camp organized by Child Evangelism Fellowship in January. Pray for the 10 kids who have participated in the camp that they may continue to grow daily in the word of God.

Thank you for your prayers for our two children who have started their intensive course treatment for HIV. Continue to pray for them especially as they need to manage the side effects of higher dosage drugs in the days to come. We greatly appreciate your partnership with us in providing love and care for these poorest of the poor kids. God bless you.
