MINISTRIES OF COMPASSION AMONG CHILDREN FROM HIV/AIDS & LEPROSY AFFECTED FAMILIES

**Dearly  
beloved in Christ,**

Greetings to you in the name of Our Risen Saviour and Redeemer! One of the great commissions of the Risen Saviour was "Go and make disciples of all nations". You have chosen to be part of this commission by sharing your love and concern for these abandoned and children considered least in the society. Surely you will be rewarded richly here and in eternity for your commitment to His great commission.

Here is the word of the Lord for you and for your family: **"The Lord has remembered us and will bless us" Psalm: 115:12.** We remember someone or something that is worthy of consideration or recognition. We tend to keep in mind our near and dear ones. But there is a great difference in the way in which the Word of the Lord says about the Lord remembering us and the way in which we usually keep in remembrance our dear ones.

### *The Lord who remembered an Individual...*

The Lord has great compassion towards all his creation, but we should keep in mind that our Lord is greatly concerned about the individual welfare of his children. In I Samuel, 1<sup>st</sup> chapter we see Hannah who is greatly distressed and afflicted because of her bareness. Bareness need not pertain only to child bearing. In our personal and spiritual life there may be bareness in peace, love, unity, or purity. There may be bareness in your family relationships or financial condition. Bareness is not an end, but a beginning of the working of the Lord. Do not be faint hearted because of the long wait. Do what Hannah did for the Lord to remember her. She sought the Lord and Lord alone as her refuge amidst her distress (I Sam.1.10). She poured out her heart only in the presence of the Lord (I Sam.1:15). These two acts of faith brought forth the Ultimate move of the Lord: In I Sam: 1:19, we see that the Lord remembered Hannah. Whatever your state of affairs may be, today the Lord remembers you. As the word of God says, in due time you will have your request granted.

### *The Lord who remembered a Family...*

The Lord who instituted the family unit and blessed it in the Garden of Eden, is also greatly burdened about the welfare of each and every family. In Gen.8:1, we read that there was a righteous man named Noah and he was confined with all his family and animals in an ark as per command of the Lord to be saved from the flood. Use your imagination to see how greatly distressed Noah and his family would have been to be confined in an ark with all sorts of animals for almost a year! And his confinement was not brought about by Noah himself or by some sin; it was the command of the Lord to save the lives of his creation through this confinement. What is the straightening experience that your family is going through today?

When Noah continued to serve the Lord in all sincerity in his confinement, the Lord remembered him and his family. After which, Noah moved out of the ark to inherit the whole of the earth. The Lord knows how and when to deliver your family from each trial. Do not look at the waters standing outside the ark or the animals you have to deal with inside the ark. Remain in the ark (Christ) and do not lose heart in serving the Lord where ever he has placed you. The Lord has remembered you. Your time of release is at hand.

### *The Lord who remembered a Nation...*

Today we stand as chosen generation, royal priesthood and holy nation (I Peter: 2:9) because of what the Lord Jesus did for us on the Cross of Calvary. Yet, when we go into bondage because of our self will and we do not realize the great damage we cause to the church of God. Individual right standing with God is the brick by which the church of God is built. When one brick is brittle or hollow, it facilitates the adversary to attack the whole structure through that vulnerable part. What is your standing today? Groan for the condition of your personal standing with God. Lift up your cry to him in the Heavens. In Ex.2.24, we read, when their cry came up to God, God remembered His covenant and remembered his people. Will you not rise up your cry today for the Lord to remember His children? **As the Lord has promised to graciously remember you**, may you experience a great deliverance this month from the bareness, confinement and bondage you have been struggling with so long.
